Travel Team Goals and Policies

Program Goals:

The Manteca Baseball Club is a non-profit corporation devoted to promoting year-round baseball in Manteca and surrounding communities in the central valley. Our goal is to foster an in-depth learning experience with emphasis placed on quality coaching, good sportsmanship, and the mastering of baseball fundamentals. Our leagues, tournaments, clinics, travel team opportunities and camps provide group and individual instruction in offensive and defensive skills.

Travel Team Goals:

The Manteca Baseball Clubs Summer/Fall travel team program is designed to offer boys/young men the opportunity to play baseball at a highly competitive level in order to develop their confidence plus their individual and team skills. We expect to be competitive in tournaments and we intend to showcase our (older) players to college coaches and scouts when possible.

Playing time expectations:

Since the Manteca Baseball Club travel team program is highly competitive and not recreational, it is expected that some players on the team will get more playing time than others during the competitive tournaments. Instructional leagues will allow equal playing time for all. However, playing time is ultimately the discretion of the coach and can be effected by attendance & approach at practice and ability to handle certain situations.

Player Commitment Level:

We expect players to attend all practices and games, and to be focused on playing baseball during those times.

Communication:

Coach/Player/Parent lines of communication should always be open and accessible. Please do not approach your coach after games as this can be an emotional time for all involved. Any questions or concerns should be handled at the team level first. All communication should be handled respectfully.

Player Fees:

Player fees for the travel season reflect the actual costs of supporting the team. Refunds will not be issued except in the case of injury, and all refunds are subject to a \$75.00 administration fee.

Manteca Baseball Club will follow a ZERO TOLERANCE standard. If you or your son can't control your emotions, then you will be dismissed from the team without a refund. We are here for the kids. With the exception of very few circumstances, what happens on the field of play or at practice will be handled appropriately **without** your help. Please don't over-react, or react excessively to umpire, coach and opposing team/player actions.

Financial Aid Guidelines

The Manteca Baseball Club recognizes that some players need to apply for financial assistance in order to play on the Summer/Fall travel teams. Those Parents/Players must submit an application and include a family statement of income (Either a W2 form or a current tax return form) and a \$100 deposit.

Once all of the applications have been received, they will be reviewed by Manteca Baseball Club Non-Profit Corporation's Board of Directors according to the following criteria:

1. **Typically**, no more than 50% of the total fee will be granted in financial aid. All parents/players will be responsible for the remaining balances. Parents/Players who have not paid their fees will be dropped from the team. The amount that player will be awarded will be determined by **TBA**.
2. With returning players, past **commitment** to the travel team will be considered.
3. Parents/Players will still be expected to fundraise.
4. Parents/Players will be expected to help Manteca Baseball Club by donating their time and/or other services.
5. To remain on the team, players must regularly attend all practices, and all games.

Manteca Baseball Club

Dear Manteca Baseball Club Supporter,

As an active supporter of our community, you are acutely aware of how important it is for our young athletes to participate in organized sports and team athletics. Research has shown that playing in organized sports can increase self-esteem and help develop the confidence needed to succeed in school, careers and in their personal lives.

The Manteca Baseball Club is a non-profit corporation whose mission is to help youth in the program to develop positive attitudes about self esteem, sportsmanship and team play, and to promote having fun while learning to play competitive baseball. Since 2009, Manteca Baseball Club has helped organize and participated in instructional leagues as well as offering travel teams for boys aged 8-18. Hundreds of players have participated in our programs and the organization is currently trying to expand the scope of its leagues/teams to accommodate even more players who otherwise would not be able to afford this opportunity.

We are asking you to consider sponsoring _____ who has been chosen to play on the _____ Travel Team this year. The fee for participation on this team is \$_____ and any assistance you can offer will help this young player and be greatly appreciated.

If your donation is \$250, or more, please consider placing your logo on a 3' x 3' banner inside of Manteca Baseball Softball Academy for the duration of the above mentioned team. Please attach a business card for logo purposes.

Thank you very much for your consideration and support.

Sincerely yours,

Greg Wilson
